Date: 7 June 2017, 10:00 – 14:00

Venue: Ulcinj Municipality (Bul. Skenderbeu pn, 85360 Ulcinj)

The event is organized within the project 'Finalization of Protection Study for Ulcinj Salina'
(EUROPEAID/132633/C/SER/MULTI Framework)

Dear colleagues,

We are delighted to invite you to the stakeholder consultation seminar on Ulcinj Salina. The aim of the event is to discuss and explore options for use of benefits that the Ulcinj Salina and its natural resources can provide to people in the context of sustainable development.

The seminar will bring together key stakeholders involved in planning, conservation and local development. The participants will have an opportunity to present and discuss their views on sustainable future for the area of the Ulcinj Salina. The results of the seminar will be considered and critically reviewed in the process of amending the Protection Study for Ulcinj Salina. Outcomes of this seminar will help in identification of the main ecosystem services potentially provided by the area and how these could be utilised in the future without jeopardizing key natural assets.

The seminar will be held in Montenegrin language except for selected presentations that will be interpreted.

Please, confirm your participation at the event to Maja Krivokapic (maya.krivokapic@gmail.com) till 31th May.
